

## Floyd Memorial Women's Services

Expert Medicine. Exceptional Care.

### A picture could save your life.

Breast screenings with mammograms have drastically reduced breast cancer deaths in women. Floyd Memorial's Women's Imaging Center offers state-of-the-art women's testing procedures, including digital mammograms, in one comfortable, convenient and private location. The Women's Center is a certified Softer Mammogram Provider, a distinction awarded to few medical centers.

#### *Services available at the Women's Imaging Center:*

- Magnetic Resonance (MR) testing
- pDXA Osteoporosis Screening and Bone Density Scans
- Digital Mammography  
(Utilizing the Siemens MAMMOMAT Novation DR)
- Stereotactic Breast Biopsy
- Ultrasounds
- 4-D Obstetric Ultrasounds
